NOR-LYX LOCKABLE WEAPON RACK

NOR-LYX[®]

THE SWEDISH ORIGINAL SINCE 1979

THE MOST ELEGANT AND SECURE WAY TO DISPLAY YOUR WEAPONS!

Follow the lead of Holland & Holland, Merkel, Sabatti, Browning, Kalashnikov, Rizzini Chapuis Armes and Sauer: use our patented NOR-LYX weapon racks to showcase your weapons.

The NOR-LYX weapon racks system is fully flexible and expandable, which means that you can use it to display a single weapon or as many as you want. The choice is yours!

The NOR-LYX weapon rack is the safest system to store or display weapons at home as well as at public areas and trade fairs.

The NOR-LYX lockable weapon rack
comes in several colors

-

With a NOR-LYX lockable weapon rack you can display your rifles in a secure manner regardless of whether they have long or short barrels. You can be creative when positioning your weapons and showcase as many weapons as you want.

The holder is made of steel with a synthetic cover. If you buy several holders, they can be combined and locked with the same key. The covered assembly board comes with two inherited keys.

BE CREATIVE!

*“I protect my rifles with Nor-Lyx
– I’m safe.”*
